Gateway to Global Leadership

Tokyo, July 2019

Subject: CALL FOR APPLICATIONS

Dear Sir/Madam,

We are pleased to send you our leaflets and request your cooperation in encouraging your most promising staff to apply for admission to our Master and Ph.D. programs.

Located in central Tokyo and sponsored by the Japanese government, the National Graduate Institute for Policy Studies (GRIPS) is a graduate school dedicated to educating future leaders in the public policy arena. It is one of the most international institutes in Japan and is designed to attract government officials from around the world.

GRIPS programs are taught entirely in English and offer promising early and mid-career professionals in the public sector and policy-oriented academia an opportunity to network and extend their knowledge in a wide range of topics concerning public policy and policy formulation. Scholarships are available for outstanding applicants.

Our programs start in October 2020. For application deadlines and procedures please refer to enclosed flier and the GRIPS website.

ল বিভাগ

Your kind consideration would be highly appreciated.

We look forward to receiving applications from excellent candidates from your organization.

Sincerely yours,

Professor Mikitaka Masuyama

**Executive Vice President and Dean** 

National Graduate Institute for Policy Studies

- · Serving as an International Center for Policy Research

#### History of GRIPS

The Graduate School of Policy Science (GSPS), the predecessor of the National Graduate Institute for Policy Studies (GRIPS), was established at Saitama University, Japan in 1977 as a new kind of graduate school, aimed at promoting interdisciplinary policy research and fostering administrative officials and policy analysts equipped with policy analysis and policy-making skills backed by scientific methods. Succeeding GSPS, GRIPS was established in October 1997 as an independent national graduate university with the mandate to promote high-level policy research and respond to various domestic and international needs based on international intellectual cooperation and the cooperation of leading members of Japan's political, industrial, government, and academic circles.

#### **GRIPS Features**

- · Independent postgraduate university
- · Research environment with a global perspective
- Internationally-competitive research based on modern social science methodology
- Training of world-class public policy professionals
- · Specialized training for public policy professionals
- Learning opportunities for professionals and a well-structured curriculum
- · Comprehensive programs offered solely in English
- A wide range of scholarships
- Dynamic and diverse instructional environment
- Collaboration and partnership with other institutions
