Program Information

Master of Public Policy (MPP)

The Master of Public Policy (MPP) program is designed to provide global perspective and professional expertise in public policy areas. The program is highly regarded both in and outside of Korea, particularly among developing nations and government officials.

The faculty with outstanding research backgrounds and empirical knowledge offers a leading curriculum that integrates theory and practice. Students are required to take one of the economic policy study areas, and may select additional study areas to cover 39 credits towards their graduation. The highly diverse student composition provides a unique educational environment.

Both domestic and international students from all walks of life, including the government, the media, and NGOs are able to share ideas, knowledge and experiences, and build a dynamic global network.

Academic Goals

- Expand policy makers' capability in policy planning, analysis and implementation
- Foster professionals in the field of economic and social policies
