## 2018 DUO SWEDEN FELLOWSHIP PROGRAM

### 1. General Description

DUO-Sweden Fellowship Program was established in 2010 with the aim of promoting exchanges of people between Sweden and Asian countries (the 21 Asian countries: including Australia, Bangladesh, Brunei Darussalam, Myanmar, Cambodia, China, India, Indonesia, Japan, Kazakhstan, Korea, Laos, Malaysia, Mongolia, New Zealand, Pakistan, the Philippines, Russia, Singapore, Thailand and Vietnam) on a balanced basis. In this respect, DUO-Sweden requires that a PAIR (two persons) of students be exchanged in an academic cooperative arrangement. Definitions of students are as below:

- Students: undergraduate and graduate students who are currently enrolled in universities

N.B.: All applicants shall maintain their "student status" at the time of application until the time they are engaged in the exchange, and the scholarship is only available for those who will study fulltime during their exchange period.

#### 1. 1 Eligibility

Due to this unique nature of this program, in order to be eligible, the following are required:

***Your exchange fulfills all three requirements below:***

- An educational institution in Sweden (home institution) and an educational institution in Asia (host institution) have established an academic ***cooperative arrangement/inter-institutional agreement***; and
- The Swedish home institution has ***selected*** an ***EU national*** student enrolled at the home institution to send to the Asian host institution, and such selection has been ***accepted*** by the Asian host institution; and
- The ***same*** Asian host institution has selected an ***Asian*** student enrolled at the host institution to send to the Swedish home institution, and such selection has been accepted by the ***same*** Swedish home institution.

## 1.2 The Duration and the Amount of the DUO-Sweden Fellowships

DUO-Sweden 2018/2019 is for exchange projects, which will start from August 2018 and end before September 2019 to avoid duplication of implementation period of exchange projects selected by DUO-Sweden in the ensuing years. The selection of DUO-Sweden 2018/2019 is made **ONLY** once a year. In this respect, those who are planning to exchange in Spring Semester of 2019 (January-August 2019) shall apply for DUO-Sweden 2018/2019.

The duration of fellowship is limited to one semester (or 4 months, whichever comes earlier). The amount of the fellowships is **standardized** as follows:

- 3,500 Euros for Asian student and 3,500 Euros for Swedish students in a pair, in high income country. For Middle and Low income countries the Asian student get 4,000 Euros and the Swedish student get 3,000 Euros.

The duration of exchange should be at least one semester and the scholarship is only available for those studying fulltime (**minimum 24 ECTS/16 weeks**). Exchange of less than one semester is NOT allowed. If a semester is longer than 4 months in the visiting institution, fellowship will be given for 4 months.

(A definition of **fulltime study in Sweden is 30 ECTS credits per semester**, which is in general **20 weeks**.)

In the event that a student exchange lasts for a fewer number of weeks than granted, then the scholarship will be adjusted on a pro-rata basis and repayment of the funds provided will be required.

## 2. Application Procedure
